ST. PETERSBURG POLICE DEPARTMENT
FORFEITURE GRANT PROGRAM
INFORMATION SHEET
WHAT IS THIS PROGRAM?

The St. Petersburg Police Department is pleased to announce its 30th Annual Florida Contraband Forfeiture Grant Program. The purpose of this grant program is to provide financial support to neighborhood groups, associations, agencies, and non-profit organizations holding a 501c3 or 501c4 designation which are engaged in projects or programs that address the following areas of concern:

- Neighborhood safety;
- Crime prevention;
- Drug abuse education;
- Drug abuse prevention;
- Drug abuse treatment; or
- School resource officer programs.

The Police Department’s grant program provides grants without requiring the Applicant to provide matching funds. There is no restriction on the amount of funding an applicant may request. Additionally, an Applicant may request enough funding to cover their entire program or project, or any component of the program or project.

The grant amount the Police Department will distribute to successful Applicants is within the sole discretion of the Chief of Police and is based, in part, on the amount of funds available.

Each Applicant must fill out one pre-registration form and complete one Proposal. Applicants which offer multiple programs may include their different programs within one Proposal. An Applicant’s Proposal may request funding for any new project, ongoing program, or regularly held event, so long as the project, program, or event meets all of the eligibility criteria.

WHO MAY APPLY?

The grant program will provide funds to community groups, associations, agencies, or non-profit organizations holding a 501c3 or 501c4 designation which provide services to residents within the municipal boundaries of the City of St. Petersburg.

Applicants will be required to provide a federal tax identification number or social security number.

To assist you in determining whether your group or organization should apply for funds, you may want to consider the amount of funding available the past five years and the average amount of monies awarded.

WHAT ARE THE MINIMUM APPLICATION ELIGIBILITY CRITERIA?

Florida law permits funding of programs or projects that address the following issues:

a. Crime prevention;
b. Neighborhood safety;
c. Drug abuse education;
d. Drug prevention; or
e. School Resource Officer Program(s).

To be considered for funding a program or project must:

1. Fall within the statutory criteria, a. through e. above.
2. Complete and submit the “Pre-Registration for St. Petersburg Police Department Forfeiture Grant” form.
3. Submit a Proposal describing their program or project and providing a detailed, itemized list of items to be purchased with any awarded grant funds.
4. Follow the directions below regarding submission of the Proposal.

Funds shall NOT be awarded for:

1. Salaries, stipends, etc.;
2. Food or beverages;
3. Travel or transportation expenses; or
4. Newsletters, advertising, flyers, pamphlets, blogs, social media, or other communication media.

Any organization which owes monies to the City of St. Petersburg will not receive funding until all debts and obligations are satisfied. Forfeiture Grant funds may not be used to satisfy any debts or obligations previously incurred by the organization.

Any organization which has failed to completely and accurately account for all expenditures arising out of past forfeiture awards will not be eligible to receive additional funding.

All applicants approved for funding will be required to enter into a contract with the City setting forth the terms and conditions under which funds may be expended and outlining all accounting requirements.

WHAT ARE THE CRITERIA TO BE SELECTED FOR FUNDING?

The following criteria will be used to evaluate requests for funding which meet the eligibility criteria. Projects or programs will be rated using the criteria listed below.

1. TIMELINESS. All Applicants must return the Pre-Registration form to the Police Department before the posted deadline. Additionally, all Applicants must provide their proposal(s) to the Police Department prior to the posted deadline. An applicant who fails to submit the Pre-Registration form and the Proposal(s) before the deadline date and time will not be considered for funding.

2. PREPARATION. The Applicant has produced a proposal that provides a clear understanding of the program or project, including time frames for completion, expected benefits to the community affected, and how it meets the criteria for the grant. The proposal must include a complete budget with supporting
estimates, proper signatures, adequate number of copies, and has complied with all other requests outlined in the application package.

3. PARTICIPATION. The Applicant has a commitment from participants in the program or project as well as the participation and support of community members, neighborhood associations, and local businesses.

4. NEIGHBORHOOD IMPACT. The Applicant should provide a clear understanding of how the program or project addresses a need in the community in addition to identifying the specific benefits to the residents of the neighborhood(s) affected.

5. INDIVIDUAL IMPACT. The program or project should attempt to make as large an impact as possible in each of the participant’s lives. Projects of all sizes are welcome to apply for funding, however, the committee would like the grant monies to impact as many people’s lives as possible.

6. PROJECT QUALITY. The Applicant has developed a program or project that is well planned, adequately budgeted, and is ready for implementation or is a part of a broader ongoing effort, and includes a well-defined method for demonstrating that the funds are expended appropriately.

7. ORIGINALITY. The Applicant has proposed a project that is original and addresses a problem that is not already being addressed by other entities within that neighborhood. Creative thinking is welcome and encouraged but it must be accompanied by an action plan that has been researched and will succeed when implemented appropriately.

8. QUALIFICATIONS. The Applicant must demonstrate, via clearly stated qualifications, their ability to implement the proposed program or project.

9. PAST PERFORMANCE. Any Applicant who has received grant funds in the past will be required to have fully conformed to the accounting requirements for that grant period before being considered for additional funding. Failure to meet the accounting requirements from a prior grant will eliminate any group from future additional funding.

HOW WILL THE POLICE DEPARTMENT DECIDE WHICH PROJECTS ARE FUNDED?

All proposals that meet the minimum eligibility criteria will be reviewed by the Funding Approval Committee which is comprised of the Chief of Police and his three Assistant Chiefs. Upon reviewing the proposals, the Chief of Police will make the final determination of awards. The decision of the Chief of Police will be final.

FREQUENTLY ASKED QUESTIONS:

Is there a deadline to turn in the Pre-Registration form?
The Pre-Registration form should be turned in as soon as possible. While there is no deadline, the form is used to create a file for each applicant in our database and speeds up the processing of all proposals for review by the Funding Committee.

After submitting the Pre-Registration form, do I wait for authorization to submit my proposal?
No. The Pre-Registration form is not dispositive in any way. After submitting the Pre-Registration form, you should submit your proposal at any time prior to the application deadline.

What does the Funding Committee use to make funding decisions?
The Funding Committee will only review the proposals with all attachments that are submitted by Applicants. They do not review the Pre-Registration form or any documents submitted with the Pre-Registration form. For repeat applicants, the Funding Committee will review performance and accounting of prior year grants.

Can’t I just e-mail my proposal to you?
No. You must turn it one original and four copies for a total of 5 proposals. These copies are used by the Funding Committee Members to decide whether your organization will receive funding. You must e-mail your program description in Word format but that does not preclude the necessity of submitting 5 copies.

WHO CAN I CONTACT IF I HAVE ANY FURTHER QUESTIONS?
