Re. Shooting at 4313 21 Street North

On 08/09/13 @ 0154 AM officers responded to 4313 21st Street North for a call of shots being fired inside the residence. When officers arrived on scene, a 21 year old male was discovered shot outside the residence and two other subjects were found shot inside the residence.

One of the subjects inside the home, a 28 year old male, was pronounced deceased at the scene. The second subject, a 22 year old male inside the home had a gun shot wound to the lower body. The two wounded subjects were transported to a locale hospital in stable condition.

Based on the preliminary investigation it appears that 28 year old male was in the process of robbing the two other subjects with a handgun during a drug transaction. The 21 year old male, who resides at the home, produced his own gun and shots were exchanged between the two subjects. During that exchange the 22 year old was also struck. Narcotics and firearms were found at the scene.

No criminal charges have been filed a yet. Detectives are still investigating and in the process of notifying next of kin.
