St. Petersburg Homeless Outreach Program in Williams Park

The City of St. Petersburg Homeless Outreach Team will be setting up a booth at Williams Park, 330 2nd Avenue North, from 10:00 to 11:00 a.m. this morning. The booth will be staffed by Officer Rich Linkiewicz who will be speaking to the homeless about various programs available to them as well as seeking feedback from them as to the type of services they need.

Officers assigned to the Department’s Downtown Deployment Team will be on site handing out brochures as well.

This is part of a continuing effort by the Homeless Outreach Team to address the needs of the homeless population in St. Petersburg.
