St. Petersburg Police Releases Video of Masked Robber

Video shows the same masked robber entering two different businesses and attempting to rob them.

In the first incident, on Friday, October 17, he entered the Sukani Food Mart, 2539 MLK St. N., at 10:30 PM, and did not see the clerk, so he left before completing a robbery.

On Sunday, October 19, at 7:50pm, he entered the Subway at 9301 4th St. N., waved a gun and tried to rob the restaurant, but the clerk ran and triggered an alarm. Again, the robber fled.

In both cases, he covered his face with a shirt, but he carried the same red and black backpack. He is described as being 6’ tall and about 190LBS.
