Information released by Mike Puetz, 727-893-7550, michael.puetz@stpete.org
In the early hours of September 8, 2014, detectives were called to investigate a homicide on 2533 Queensboro Avenue South. The victim, whose identity is still unknown, was hanging outside the residence in question with several subjects, including the suspect. Without provocation, the suspect produced a firearm and shot multiple times in the direction of the victim. The victim was transported to Bayfront Medical Center but was pronounced deceased at 10:25 PM. The suspect fled the scene and has not been located or identified. Detectives are following up on several leads. 14-055427
