--------Previous Release--------

We are currently on the scene of what appears to be the accidental death of two teenagers, male and female, at 2175 Corrine Court South, the Country Club Villas.

At about 8:00 a.m. this morning the mother of the male victim found her 17 year old son and his 14 year old girlfriend in the garage of their apartment. They were both seated inside the family’s 2002 Mitsubishi SUV with the garage door closed. Both were unresponsive and fire rescue responded, pronouncing both victims deceased at the scene.

The mother reported that her son had left the home at about 3:00 p.m. to pick-up his girlfriend, but she was unaware of their return. The garage is unattached to the apartment. She attempted to call his cell phone several times during evening without success and reported them missing to the police at about 11:00 p.m. last night.

Homicide detectives are investigating, but preliminary indications are that the two victims had decided to sit in the car sometime last night, leaving the car running and at some point closed the garage door. During that time they were overcome by the fumes and passed out. It does not appear to be a case of suicide.
