Hit & Run Accident Involving Three Year Old Child

At about 10:57 a.m. this morning we responded to 630 28th Avenue South regarding a Hit & Run Accident. A three year old male, D'andre Bush Jr. DOB 11/16/2011, was riding his bike in a near-by alley accompanied by his mother, when he was struck by a silver van. The driver of the van, later determined to be a Ja'narion Robinson, DOB 11/13/2000 of 2901 6th Street South, stopped momentarily after the accident, but then drove off when confronted by the mother.

The child was transported by ambulance to All Children’s Hospital where it was determined that he was only suffering from abrasions and he was later treated and released.

Officers located the van shortly after the accident parked at the registered owner’s home address of 2901 6th Street South. After interviewing Robinson’s mother it was determined that he had taken her van without permission, drove it home after the accident and then fled the area on foot. He did eventually return home and was taken into custody for Leaving the Scene of an Accident Involving Injury and have no valid driver’s license.
