Update: Shooting 6265 2nd Ave North

Detectives report that at this time it appears that two adult sisters were involved in a domestic dispute during which one sister shot the other in the torso. The victim was transported to the hospital and her wound does not appear to be life threatening.

After the shooting the suspect walked to a nearby church where police were called and she turned herself in without incident. The firearm used was also recovered from her at that time.

Additional detail will be released later today.

******************Original Release******************
