Update to Overnight Shooting Near Hollywood Nights Club

Victim: Shanika L. Everett, (female) 7/17/81 (Bystander; critical but stable condition)
Victim: Brandy Griffin (male), 9/8/94 (Driver of Impala; non-life threatening injuries)
Arrested: Ladray Maxwell (male), 2/1/96 (Passenger in Impala; arrested for being a felon in possession)

Detectives investigated a call of shots fired at 2:40 a.m. on 5/23/16 near 1205 Dr MLK Street South (Hollywood Nights).

The investigation revealed two groups had a dispute earlier inside the club. At 2:40 a.m., the passengers in a 2010 Chevy Impala were eastbound on 12th Avenue South approaching MLK Street South, when someone on the street fired several rounds into the passenger side of the Impala. Then, someone in the Impala returned fire.

Brandy Griffin (driver of the Impala) was struck once and received non-life threatening injuries. He was treated at Bayfront Health.

A bystander who had just left the Hollywood Nights Club, was caught in the crossfire. She was shot in the upper torso and is in critical condition. She is expected to survive her injuries.

Police arrested Ladray Maxwell, a passenger in the Impala, for being a felon in possession of a firearm.

More charges/arrests are pending.
Shooting Overnight

Officers received reports of shots fired outside the Hollywood Nights Club, 1205 MLK Street S., at 2:40 a.m. today.

Preliminary information from witnesses is that the shots came from vehicles driving around and near the parking lot and roadway.

Two separate victims showed up at Bayfront Health a short time later. One woman is in critical condition and a man was grazed and has minor injuries.
