Marijuana Grow House

St. Petersburg Vice and Narcotics detectives executed a search warrant on a house at 5612 Burlington Avenue North, shortly after 7p.m on Wednesday, August 23.

Detectives walked into a sophisticated grow house with 36 full grown Marijuana plants. The plants have an estimated street value of \$200,000. See attached photos.

Detectives arrested Yankier De Posada, DOB 5-16-94, 6351 99th Terrace N., Pinellas Park. He was in the house and tried to run away from officers.

De Posada is charged with: cultivation of marijuana, possession of marijuana with intent to sell, resisting arrest without violence, trafficking in marijuana.

This is an ongoing investigation.
