Update - Missing Girl

Officers just found Breale Ali at a recreation center. She's okay and headed back to be reunited with her family.

Thank you!

-----previously released-----

Police are searching for a 10 year old special needs girl missing since 3 p.m.

The last time Breale Ali was seen, she was headed out to the car circle after school at Mount Vernon Elementary, 4629 13th Avenue North.

This was Breale's 1st day at the school as a 2nd grader and she is not familiar with the area.

St. Petersburg Police are assisting the Pinellas School District Police in an active search.

Breale is African-American, 4'11" tall, 110 pounds. She was wearing blue jeans and a pink top with a mermaid on it. She was carrying a black backpack with a pink handsanitizer dangling from it.

Anyone with information on her whereabouts is asked to call the St. Petersburg Police Dept.

Media please call Lisa Woolf with the Pinellas School District 278-0375, she is handling media inquiries.
