Auto Theft with Baby

Shortly after 9 a.m., a father drove home with his one-year-old daughter in her car seat in the back of his 2016 Lexus SUV, and left the engine running in the driveway while he went inside for a minute to place the mail in the house.

A young man got out of a white car, jumped into the SUV, and drove off, with the child still sitting in the car seat.

Approximately two blocks away (53rd Ave South and 41st St. South), he discarded the SUV and quickly got back into the white four-door car he was following. The child was not hurt.

Surveillance video and photos are attached.

Police are searching for two young men in their late teens or early 20's, and the four-door white sedan.
