

## PRESS RELEASE

COMMUNITY AWARENESS DIVISION

YOLANDA FERNANDEZ, MANAGER  
727-893-7550

### Community Resource Bus

For Immediate Release:  
June 21, 2017

AThursday, June 22, at 8 a.m., join us for the unveiling of our improved Community Resource Bus program, at 12th Avenue South and Jordan Park Street, in the Jordan Park neighborhood.

Mayor Rick Kriseman, Chief Anthony Holloway, and Dr. Ulyee Choe, County Health Department Director, will be on hand to discuss the outreach program.

BayCare will also provide diabetes screening on the bus including: paper risk quiz, cholesterol (TC & HDL), glucose, BMI, and A1C if needed. The bus visits a different neighborhood every month. Health screenings, such as diabetes and blood pressure checks are often a part of the outreach.

The Community Resource Bus received a facelift and upgrades to enhance the mission of providing health and safety information to St. Petersburg Residents. A grant from the Foundation for a Healthy St. Petersburg paid for the improvements.

The St. Petersburg Police Department, Healthy St. Pete, Foundation for a Healthy St. Petersburg, and the Florida Department of Health in Pinellas County, are working together through the Community Resource Bus to connect residents to community resources.
