Location: 22nd Avenue North and 68th Street North

Date / Time of Incident: June 25th, 2017 @ 0228 hours

Brief Description of Incident: A red in color 2008 Chrysler Sebring convertible, being driven by Kerwin Mayorga (B/M, 11/24/1995), was traveling in westbound on 22nd Avenue North with the top down. In the vehicle were Mayorga and Sandra Kanpis (W/F, 4/14/1996, rear passenger) and another female in the front passenger seat. The Chrysler attempted to make a left hand turn onto 68th Street North, but was going too fast and left the roadway on the southwest corner of the intersection. The Chrysler drove into to, and then up, the guide wire for a utility pole on this corner, before falling back to the ground and coming to rest with all of its wheels on the ground. Sometime during this event, a female was ejected from the vehicle and landed on the ground.

The female was transported from the scene to Bayfront Health St. Petersburg with life threatening injuries but is now considered stable. Kanpis was transported from the scene to St. Petersburg General Hospital with minor injuries.
