Arson Investigation

For Immediate Release:
June 27, 2017

At about 12:30 a.m., someone broke the glass on the front door of Southside Accident Rehab, 2516 34th Street South, and poured an accelerant into the business.

There was a small fire with minor damage.

Investigators would like to speak with a man seen in the area at the time. He is described as a dark-skinned black man in his 40's, over 6 feet tall and approx. 300 lbs. He had short black hair, no facial hair and was wear black pants and black shirt.

Case #2017-030490
