Serious Crash – Central Avenue

Shortly Before 6 PM, a jeep lost control and hit a light pole and some decorative planters on Central Avenue Between 28th and 29th St. No other vehicle was involved.

Saint Petersburg fire rescue extricated two people. They were taken to the hospital but neither suffered life-threatening injuries.

Central Avenue was closed in both directions briefly, however eastbound lanes will open shortly and westbound lanes will remain closed until the tow truck removes the jeep.
