## Car Crashes into Building near Dali Museum

At 12:15 p.m., a 4 door sedan and a BMW SUV collided on 4th Street South near Dali (5th Ave S.) Blvd.

The impact sent the SUV through the front doors of the American Dialysis Center, 446 4th St. S.

The driver of the sedan ran away from the scene.  
Two passengers in the SUV were not injured.

There was one person injured inside the building and taken to the hospital. At this time, the injuries do not appear to be life-threatening.

Please ask traffic to avoid the area. The I-175 exit to 4th St. is blocked off as well as on-ramp. 4th Street is closed from 4th Ave S.-6th Ave South.

Photo from car in building are attached.
