

ST. PETERSBURG POLICE DEPARTMENT

PRESS RELEASE

COMMUNITY AWARENESS DIVISION

YOLANDA FERNANDEZ, MANAGER
727-893-7550

April 12, 2018

911 issue

We are not receiving 911 calls from Verizon users at our communications center.

Our non-emergency number is also out of service at this time. If anyone needs to contact St. Petersburg police and is having difficulty getting through ...please call 727-893-7762.

The phone problems have been going on for about an hour, and we do not have an estimate from Verizon when they will be repaired.
