January 31, 2018

Technical Difficulties with Phones

The St. Petersburg Police Department is experiencing technical difficulties with our non-emergency line, 893-7780.

The outage is due to regional widespread issues with the Frontier Communication Company. We have no current time frame for restoration.

9-1-1 is functioning properly.

For pressing non-emergency issues, please call: 727-893-7764.
