July 2, 2018

### **Update - Cement Mixer Overturned**

Workers are finishing up and 22 Ave S should be open in the next few minutes. The driver is in stable condition. His injuries are not life threatening.

previously released-

Cement Mixer Overturned

A cement mixer overturned on 22nd Ave South, after coming off the interstate ramp. No other vehicles were involved.

The driver was taken to the hospital with unknown injuries.

22nd Ave South is closed eastbound, and is down to one lane westbound. The 22nd Ave S. exit ramp from I-275 is also closed to traffic.

There is quite a bit of spilled material on the roadway, and clean-up crews are on the way.

22nd Ave. will remain closed for at least two hours until a tow truck can arrive to move the cement truck.
