Update: Power Outage Disrupting Traffic Signals

All are back in working order.

-----previously released-----

Due to a Duke power outage, there are a number traffic signals that aren't functioning. Duke is working on the problem but we've been told it may take until 6 p.m. for all of them to be working properly.

Please use caution when approaching:

- 34th Ave N. and 1st Street N.
- 47th Ave N. and 1st Street N.
- 34th Ave N. and 4th Street N.
- 34th Ave N. and MLK Street N.
- 38th Ave N. and Haines Road N.
- 38th Ave N. and 16th Street N.

Please instruct the public to treat these malfunctioning intersections like a 4-way stop.
