Arrest Made In October 2017 Hit-and-Run Crash

The suspect in an October 14th hit-and-run crash is under arrest after a tip revealed the driver's location. On October 14, 2017 a large dark-colored SUV hit a bicyclist in the 4200 block of 1st Ave. N and left the scene.

Although the vehicle was located, DNA evidence connected Quinn D. Hessinger (12/11/1989) to the crash. He now faces, leaving the scene of a serious bodily injury crash, operating an unregistered vehicle and providing false information during a crash investigation charges. Hessinger was arrested on Sunday March 4, 2018.
