Victim Found in Lake Maggiore Park Dies

43-year-old Christie New, the woman discovered with severe trauma in a city park last Thursday, has passed. She was found badly injured by a park employee at Lake Maggiore Park on March 1st. SPPD's investigation into her death is ongoing.

Detectives are looking for tips to help bring closure to her family. If anyone has information about Christie New, they may be eligible for a cash reward (of up to \$3000) from Crime Stoppers (1-800-873-TIPS), for information that leads to an arrest.

Detectives Seek Information About Injured Woman Found In Lake Maggiore Park

SPPD is looking for information anyone may have about a woman who was found badly injured in a St. Petersburg park on Thursday morning.

Just after 11:30am on March 1, 2018, a city park worker discovered 43-year-old Christie L. New (03/15/1974) suffering from life-threatening trauma in Lake Maggiore Park. She was taken to the hospital where she is now in critical condition.

Investigators are looking for any tips or leads the public may have regarding New or the circumstances surrounding the trauma she is suffering from.

Please text "SPPD" and your anonymous tip to TIP-411, or call our non-emergency line at 727-893-7780. Refer to case# 2018-009175.
