

Re: Pashun Jeffery and Taylen Mosley Memorial

Date: April 1, 2023

From: Lakita Denson and Theo Brickhouse Sails

We want to start by thanking everyone in the St.Petersburg area, Florida, and across the United States for praying and sending positive thoughts our way in the past few days as we grieved Pashun and searched for Taylen. We especially send our gratitude to St. Petersburg police and all law enforcement working day and night in the search for Taylen and the concerned citizens who shared helpful information.

We are heartbroken that we must begin putting them both to rest. We have set up this gofundme as many of you have asked about how to support us beyond the thoughts and prayer. This is the only official gofundme campaign, and donations are appreciated and will be used for funeral services and to support the family during this time.

And a special thank you to our family, Pashun's friends, and Pashun's coworkers at CVS for reaching out during this time. During their grieving, they also took the time to check in on us, wipe our tears, and give encouraging words.

To all, we still need your prayers. #JusticeforPashunandTaylen
