City Code

ARTICLE X. DANCE HALL LICENSING AND REGULATIONS

DIVISION 1. GENERALLY

Sec. 17-331. Legislative findings, intent, and purpose.

(a) The City Council hereby finds and determines that:

(1) Late night and all night dance halls and similar forums of assembly commonly referred to as "raves" are sites for the sale, possession and use of illicit drugs.

(2) Raves expose drug activity to uninitiated youth and such exposure to drug activity occurring at such raves is found to result in drug addiction, overdose and death of both juveniles and adults.

(3) Raves provide an arena for predatory-type sexual crimes, therefore, for the protection of our youth, juveniles should not congregate in such social settings with adults. The regulation of raves is also necessary for the protection of adult victims of such crimes.

(4) Raves are often times the sites for violent criminal activity, as well as street gang activity as defined in Florida Statutes Chapter 874.

(5) The dangerous criminal activity occurring at such raves occurs predominately in the late night/early morning hours.

(6) The actions of rave patrons entering and exiting dance hall establishments has a detrimental effect on nearby residential and commercial properties in terms of excessive noise, traffic and debris, and such impacts are exacerbated by the fact that rave patrons enter and exit such raves at extra-ordinarily late night/early morning hours when citizens have a reasonable expectation of peace and quiet.

(7) The above-referenced problems associated with raves are unique and specific to such dance hall establishments and are not prevalent in other types of unregulated places of assembly.

(b) It is the intent of City Council to address the unique problems associated with raves by implementing dance hall regulations for both juvenile and adult dance halls to prevent dance hall contact between juveniles and adults so as to prevent and/or reduce illicit or undesirable juvenile involvement and exposure to illegal drugs and dangerous criminal activity, and further to protect both juveniles and adults from criminal activity that occurs at such raves;

(c) City Council hereby finds that the following purposes for the dance hall regulations are matters of legitimate, substantial and compelling governmental interests:

(1) To protect juveniles and adults from illegal drug activity, including use and sale of drugs and drug abuse such as overdoses and to reduce or eliminate such activity from occurring in dance halls;

(2) To protect juveniles and adults from violent criminal activity occurring in dance halls;

(3) To protect juveniles and adult victims from predatory-type sexual crimes occurring in dance halls;

(4) To protect juveniles and adults from gang-related activity occurring in dance halls;

(5) To reduce the amount of criminal activity occurring predominately in the late night/early morning hours;

(6) To prevent the detrimental impacts of noise, traffic and debris on adjacent residential and commercial property that occurs in the late night/early morning hours;
